

Agile Leadership: Building Resilient Teams

القيادة الرشيقة وبناء فرق العمل المرنة

14 – 18 October 2024

New York / USA

Introduction

Organizations today are striving to stay on top of rapidly changing business needs and are coming to understand that the need to respond and adapt quickly is becoming increasingly important. Business leaders are now required to shift the way that they think about their role as a leader, their relationship to their employees, and the culture of their organization. Agile leaders are needed to help their organizations thrive in a volatile, uncertain, complex, and ambiguous (VUCA) world. Also, leaders should struggle to stay on top of rapidly changing business needs and are coming to understand that the need to respond and adapt quickly is increasingly important.
