Introduction

This specific training offers to participants a variety of substantial information about the great challenges faced by all organizations and how to deal with changing factors and circumstances. Given the ever-increasing pace of change in the modern business world, organizations must either become effective at adaptation or face the risk of being left behind.

Objectives

This course will address the value and benefits of change Management including both organizational change management processes. This will also cover individual changing beliefs towards best practices and how to effectively manage their manners, attitude, behaviors and reactions to change.

Who Should Attend?

This training will be animated by a certified trainer and qualified expert in the field of Management and HR Consultancy Services. It will take place in Kuala Lumpur between 9-13 September, 2013. We expect the target audience to represent the middle management and supervisory levels in the companies. However, any person who is interested to attend this workshop is most welcome to join us in this program.
