

Excellence in Leadership and Creativity

الابداع والتميز في القيادة والابتكار

25 – 29 November 2024

London / UK

Introduction

This specific training offers to participants some substantial information about excellence in leadership and creativity for senior managers. General themes revolve around the principles and styles of successful leaders in leading people and driving change in organizations to accomplish the strategic goals and desired outcomes. In addition, the training will be highlighting the main issues and challenges faced by leaders in bringing change in the workplace and ensuring greater organizational effectiveness. Beside that, it will provide participants with some valuable tips, advice and recommendations on how to think in a creative way to improve individual perception, manners and behaviors at work.

It is going to be a 5-day seminar through which participants will interact and work together through group think activities in order to better assimilate and apply the concept of developing excellence in people leadership and thinking outside the box. The course will also help participants to have a better vision about the future, be proactive and devise a strategic plan that will be conducive to achieve greater organizational effectiveness. Several case studies, videos, group activities in addition to self-test will be assigned to all participants during this program.

Objectives

This training will tackle all the areas related to excellence in leadership, creativity, motivation, advanced communication and empowerment. It will develop participants' know-how and core competencies to better assume their roles, duties and professional responsibilities in the organizations. By end of this program, participants will have a better understanding and awareness on how to think in a creative way, promote best practices and improve the companies' status and programs to achieve outstanding results. In this respect, some valuable tips and advice will be shared with all participants to accordingly update their knowledge, upgrade their skills and enhance their performance at work.

Who Should Attend?

This training will be animated by a certified trainer and qualified expert in the field of Management and HR Consultancy Services. We expect the target audience to represent the middle and senior management levels in the companies. However, any person who is highly interested to attend this workshop is most welcome to join us in this program.
